RE: Correction of Attorney Address Information

Sir:

Filing Receipts issued by the U.S. Patent Office are being sent to an address for the undersigned which is for the most part correct, but which includes an incorrect Zip Code (19102). The correct Zip Code for the undersigned, which is correctly listed by the Office of Enrollment and Discipline, is 19087-3318.

Initial Patent Examinations has informed the undersigned that use of the undersigned's Customer Number should avoid this in the future.

Copies of several of these Filing Receipts are attached. To avoid the potential for delays in receiving future correspondence that may not be correlated with the undersigned's Customer Number, correction of the Zip Codes shown for the files pertaining to the identified U.S. patent applications is respectfully requested.

It appears that the address for the undersigned which includes the incorrect Zip Code is only present on Filing Receipts issued by Initial Patent Examinations. Consequently, it is also respectfully requested that Initial Patent Examinations take steps to correct their Zip Code information for the undersigned and/or to remove the incorrect address information (and Zip Code) from their data base.

Respectfully submitted,

GARY M. COHEN, ESQ.
